CLOUD ATLAS

产品选用奢华的透光云石作为设计元素,云石由不同元素的矿石、岩石进过亿万年的地壳运动、熔岩、沉积融合,形成独一无二的自然肌理,如同苍穹浩瀚的宇宙星云一样古老而美丽!

The product selects luxurious translucent marble as the product design element. The marble is formed by the fusion of the earth's crust movement, lava and sedimentation of different elements of minerals and rocks for more than 100 million years, forming a unique natural texture, which is as old and beautiful as the vast cosmic nebula in the sky!

玉环

JADE RINGS

产品采用玉环作为设计元素,整体浑然大气,圆润优雅;"玉环"在中国古代是一种礼器也是一种信物,其被用绳子串起来制成吊坠以及衣服挂饰佩戴在脖子或者腰间的服饰上,寓意平安吉祥或是身份象征,也是古代情侣间互相赠送的定情信物。

The product uses Yuhuan as the design element, which is full of atmosphere, mellow and elegant; In ancient China, "jade ring" was a ritual vessel and a keepsake. It was strung up with ropes and made into pendants and hung on the clothing around the neck or waist, implying peace and auspiciousness or status symbol. It was also a love keepsake given by ancient lovers to each other.

流光

GLITTER

酒是流动的月光。

碰杯,畅饮,停驻每一刻的欢愉。

流光系列来自于酒会的灵感,在宴桌上举杯相庆,挥洒着开心与惬意。极简的灯体线条让玻璃杯成为设计的主题,寓意着灯光成为了流动的美酒,见证流光溢彩尽兴时刻。

Wine is the flowing moonlight.

Clink glasses, drink freely, and stay happy every moment.

The Liuguang series is inspired by the cocktail party. They celebrate each other by raising glasses on the banquet table, and are happy and comfortable. The simple lamp body line makes the glass the theme of design, implying that the light has become a flowing wine, witnessing the moment of full enjoyment.

光线

LUCE

产品设计是将光线实体化,通过金属丝表现出了光线的形状。灯具分为内外两部分,外部是几何形的玻璃灯罩,内部的金属丝象征着光线,光源分别照亮金属轮廓和玻璃灯罩,形成双重的灯光感受。系列产品包括吊灯,台灯,落地灯,简约现代的造型适合多种风格的空间。

The product design is to materialize the light and show the shape of the light through the wire. The lamp is divided into internal and external parts. The external part is a geometric glass lampshade. The internal wire symbolizes light. The light source illuminates the metal outline and the glass lampshade respectively, forming a double light feeling. The series of products include chandeliers, table lamps, floor lamps, simple and modern shapes suitable for various styles of space.

璞

UNCUT JADE

云石将岁月凝集成古璞的纹路,我们以极简的形式来雕塑这种美,璞系列更代表我们的一种设计理念,从繁复中回归本质,返璞归真。我们保留了云石"真"的部分,纹路,质感以及岁月流逝的痕迹,而以极简的形态来直观的剖析这种美,完成从璞到玉的设计转变。

marble integrates the years into the patterns of uncut jade. We sculpt this beauty in the form of minimalism. uncut jade series represents our design concept, returning to essence and simplicity from complexity. We have retained the "true" part, texture, texture and traces of the passage of years of marble, and we have intuitively analyzed this beauty in a very simple form to complete the design transformation from primitive to jade.

RUFF

来源于服装的创意设计,从中世纪的拉夫领 Ruff Collar 获取灵感,它是欧洲文艺复兴时期以来的"贵族风行标"。风行于女王伊丽莎白,因此又叫伊丽莎

我们用玻璃的通透和轻盈来构造这种华丽雅致的感觉,结合光的效果,它被赋予了生机。

Originating from the creative design of clothing, it is inspired by the medieval ruffian ruff collar, which has been the "fashion icon of nobility" since the Renaissance in Europe. It is popular in Queen Elizabeth, so it is also called the Elizabethan Circle. We use the transparency and lightness of glass to construct this gorgeous and elegant feeling, and combine with the effect of light, it is endowed with vitality.

罗马之冠

ROMAN CROMM

产品以罗马斗兽场为设计灵感,大气厚重的环形设计,古铜色加以斑驳纹理特殊工艺表面处理,若如记录了罗马 2800 年辉煌历史和璀璨文化; 罗马是世界著名的历史文化名城,是欧洲最古老文明的源头和发祥地,同时也是巴洛克艺术和新古典主义的发源地,成为著名思想家、科学家、文学家、艺术家等文化大家的活动中心,在此创造了无数杰作。公元前 1 世纪罗马诗人提布鲁斯首次将罗马称为"永恒之城",在古罗马时期和中世纪时期,罗马也被称为"Caput Mundi"(世界之都),使这得座城市成为世界艺术和文化中心。

Inspired by the design of the Colosseum in Rome, the products are designed in an atmospheric and thick ring shape, and the bronze color is treated with mottled texture and special surface treatment. If it records the glorious history and splendid culture of Rome for 2800 years; Rome is a famous historical and cultural city in the world, the source and birthplace of the oldest civilization in Europe, as well as the birthplace of Baroque art and neoclassicism. It has become the activity center of famous thinkers, scientists, writers, artists and other cultural figures, and has created numerous masterpieces here. In the first century BC, the Roman poet Tibus first called Rome "the eternal city". In the ancient Roman and medieval times, Rome was also known as "Caput Mundi" (the capital of the world), making this city the center of art and culture in the world.

MATERIALS ENHANCE THE OVERALL TEXTURE

绅士

GENTLEMAN

产品采用天然岩板作为设计元素,整体极致简约、 气质高贵,若如身着笔挺的西装谦逊文雅的绅士; "绅士"源于 17 世纪中叶的西欧,由充满侠气与英雄 气概的"骑士"发展而来,后在英国盛行并发展到极 致,绅士风度即是英国民族文化的外化,又是英国 社会各阶层在看齐上流社会的过程中,以贵族精神 为基础,掺杂了各阶层某些价值观念融合而成的一 种全新的社会文化。

The product uses natural rock plate as the design element, which is extremely simple and elegant, like a modest and elegant British gentleman in a straight suit; "Gentleman" originated from Western Europe in the middle of the 17th century, developed from the "knight" full of chivalry and heroism, and then prevailed and developed to the extreme in Britain. Gentleman demeanor is the externalization of British national culture, and also a new social culture formed by the integration of certain values of all strata of British society based on the noble spirit in the process of aligning with the upper class society.
